Mark Twain once said : "October is an Unlucky Month

In which to gamble. The others are: January and August, December and March, September, November and April, June, February, May and July." Why take your printing to a place where it is a "gamble" twelve months of the year whether the work will be satisfactorily executed? All the year through we compete to please you. Try us and be satisfied.

QUALITY PRINTING—WHERE SHALL I GET IT?

Good printing does not "happen"—it is made. Skilled workmanship,
 appropriate type faces and the proper stock combine to make your job
 "classy" and attractive when it is done by us. Our plant is equipped
 for Job Printing—that's our business. The quality of our work speaks
 for itself.

Mark Twain once said : "October is an Unlucky Month

In which to gamble. The others are: January and August, December and March, September, November and April, June, February, May and July." Why take your printing to a place where it is a "gamble" twelve months of the year whether the work will be satisfactorily executed? All the year through we compete to please you. Try us and be satisfied.
